Designating Your Gift

- The **Priority Fund** will ensure that The Redwood has the resources to address the most pressing needs of families affected by domestic abuse, as they arise in the future.

Your contribution to the Priority Fund will provide the flexibility The Redwood needs to respond quickly and effectively to address the most urgent priorities in the struggle to end violence against women.

- The **Breaking the Cycle Fund** focuses on providing women and children the opportunities they need to end the cycle of violence, once and for all.

Gifts to the Breaking the Cycle Fund will provide families with crucial support with employment, counselling, education upgrading, affordable housing, and other help they need to start new lives, free from domestic abuse.

- The **Welcome Home Fund** will help support the capital improvement and expansion of The Redwood's facilities, including our emergency shelter, equipment, and program spaces - like the Computer Lab, and the Children's Playroom.

Donations to the Welcome Home Fund will ensure that women and children will continue to find the secure, warm and welcoming home they need to get their lives back on track, and find the promise of a better future.
